GUIDE TO ICONS & REFERENCE CODES:

The Platinum Collection is an exciting platform of contemporary design—playful and dramatic expressions in lighting. This collection utilizes energy efficient light sources, creating a dramatic effect through the intensity of light which showcases the refractive qualities of cut crystal.

Constructed of copper or brass materials, these fixtures have a unique look. Outdoor exposure will naturally patina both materials over time, adding an antique character to the copper and brass

Coastal Armour is constructed of a composite material tested to withstand the elements. With a core-strengthening ingredient of natural quarry stone crushed to a fine powder and then mixed with a powerful blend of latex and adhesives, Coastal Armour by Quoizel creates the next generation of products by using a material of extraordinary strength, durability, and beauty. Coastal Armour has been expanded to also include die-cast aluminum, aluminum and galvanized steel materials that use high-end marine grade paint and pass 800 hour UV and salt/spray tests. The hardware is galvanized steel or brass.

INTEGRATED LED

- For the purpose of this Catalog all Integrated LED fixtures are listed as "Integrated."

BULBS

- Bulbs are not included unless otherwise noted.
- Wattages stated are the maximum allowed, however, you may use lower wattage lamps to suit your lighting needs.

DIMMERS

- Dimmable integrated LEDs use either an ELV dimmer switch or a CL dimmer switch. Please refer to the product specifications sheet for the correct switch to use.

ELECTRICAL

- All wired fixtures are rated at 120-volt AC unless otherwise noted.
- All wired fixtures are cUL or ETL listed unless otherwise noted.

NATURALS/TIFFANY

- Natural materials are perfect for those seeking the aesthetics of natural variations. Due to its uniqueness, the material may vary from pictured items.
- Glass color in Tiffany lighting products vary in color. No two pieces are identical.
- Metal finishes will naturally mature and patina over time, changing in appearance and creating a living finish.

LOCATION RATING

- All chandeliers, flush mount, semi-flush mount and bath fixtures are listed for use in "Damp" locations.
- All outdoor hanging fixtures are listed for use in "Damp" locations.
- All outdoor wall and post fixtures are listed for use in "Wet" locations.

WARRANTY

- Please refer to quoizellights.com for complete warranty information.

ROD ACCESSORIES

- Please see Quoizel Lighting Wholesale Price List or quoizellights.com website for more information.

In our commitment to creating best-in-class lighting, we reserve the right to make improvements to our products. These improvements may result in changes to the information contained in this printed catalog. To view the most current product specifications, detailed photography and warranty information, please visit quoizellights.com.

BRINDLEY

Finish: Brushed Nickel
Shade: Opal Etched Glass

With geometric lines and a slim silhouette, Brindley bath lights draw inspiration from mid-century design. Opal etched glass shades soften the light, creating a warm spa-like glow. Brindley is available in multiple size options and your choice of brushed nickel or aged brass – choose the finish that best suits your distinctive style.

Natural elements abound in the Baltic collection, part of the Quoizel Naturals series. Clear water glass and rope detailing call to mind nautical elements, like the Baltic Sea for which it was named. Fittingly, the pared-back design, featuring a matte black finish, embodies the minimalist, neutral aesthetic of Scandinavian style. Choose from a mini pendant, chandelier, or bath light for a distinctive statement piece.

Outdoor

Reminisce with Jameson, an outdoor wall lantern crafted from solid copper. A stunning aged copper finish is highlighted by a rounded hook design and small grommet details, lending a hint of industrial charm to the romantic dome-shaped silhouette. While designed primarily for outdoor use, Jameson can also be used inside the home as a wall sconce or above a bathroom mirror.

BARBER

Finish: Antique Brushed Aluminum,
Matte Black

Shade: Clear Seedy Glass

Barber wall lanterns give a subtle nod to both industrial and nautical design. The sleek silhouette features bold double lines, intricate knob detailing and an exposed bulb socket. A clear seedy glass shade completes the look, creating a unique illumination effect. The antique brushed aluminum finish enhances the coastal feel, while the matte black offers classic styling. As part of our Coastal Armour collection, this product is durable, marine grade, and comes with a 5-year limited warranty.

Outdoor

Inspired by jewelry, simplified lines and mixed metals give Anchorage wall lanterns an elegant feel. A sleek matte black frame pairs with clear seedy glass panels for a beautiful contrast, while a solid brass gold metal chain with knob & finial details adds a hint of modern shine. Flank your front door with a pair of Anchorage sconces - or light up your porch or backyard to create the perfect setting for outdoor entertainment. Anchorage is part of our Coastal Armour collection.

BALCHIER

Finish: Matte Black
Shade: Clear Hammered Glass

Clear hammered glass adds major visual intrigue in the Balchier lantern collection. The coastal-inspired frame is crafted from steel and finished in a classic matte black, creating a look that is both on-trend and durable. Install Balchier by itself or flank a front door with a lantern on either side to create instant, welcoming illumination for your guests. Balchier is also available as a post or hanging lantern.

Outdoor

With industrial details and modern style, the Gladstone outdoor wall lantern is a perfect addition to a home's exterior. The earth black finish and clear glass sphere create a unique feel that complements a variety of homes. An elongated backplate resembling concrete gives Gladstone the finishing touch, adding an extra layer of flair and modern industrial style. While designed for outdoor use, this piece can also be used inside the home as a wall sconce.

CUMBERLAND

Finish: Concrete
Shade: Metal

A stately silhouette and concrete finish make the Cumberland lantern a perfect complement to modern industrial decor. The steel shade is painted white on the inside, allowing the light to shine brilliantly. Black hardware accents complete the look, adding contrast to the lighter concrete shade. Pair Cumberland wall sconces alone or in a pair to light up a front porch or patio.
